

# STRATHMORE RUGBY FOOTBALL CLUB

EST 1933

Main Club Sponsors:  DELSON CONTRACTS LTD

## CLUB MEMBERSHIP 2008-09

Dear

Membership fees for season 2008-09 are now due.

Membership of Strathmore Rugby Club still offers exceptional value for money and compares very favourably with other clubs in the area, particularly as our tremendous new facilities are now fully up and running. This is a new era for the club and great credit must be given to all members who have put so much effort into providing us with a venue rivaling some of the best in the country. Your continued support is greatly appreciated.

One of the aims of the club is to significantly increase membership, so please encourage friends/relatives/colleagues to visit your club and see for themselves what they could be part of.

The full list of rates is as follows:

Non-playing	£25
Players	£35
Family membership	£40 (Includes both parents and all children under 16)
Students and unemployed	£15 (Both players and non-players)
Membership for life	£500
Corporate Membership	£150 (non voting membership for up to 10 employees of a business/ organisation)

Payment by direct debit is available if wished – please indicate if you are interested.

As well as full use of all the facilities, all levels of membership entitle you to purchase tickets for all the Scottish international fixtures, both home and away. These are normally restricted to 2 per member, and should be ordered through Dave Innes. Our allocation for home games is usually 50 tickets, and orders for these should be submitted, with payment, by mid December. For away matches, our allocation depends on demand, and orders should be submitted before the end of September. Details of confirmed dates and ticket prices will be circulated as soon as they are confirmed. Fixture cards will be available when details of all fixtures are known.

Members can also join the 120 Club – this costs £4 per month, and there are monthly draws for sums ranging from £50 to £500, with at least 2 prizes each month.

Please note that the club has a new website – [www.strathmore-rugby.co.uk](http://www.strathmore-rugby.co.uk). This is an excellent and informative site, which is well worth a visit.

Please confirm your details below, and return the tear-off form, with payment, in the enclosed s.a.e. If you have an email address please ensure you include it as regular (normally weekly) updates, match reports etc are sent throughout the year.
